## WHAT VISAS & TRAVEL DOCUMENTS ARE REQUIRED?

Please ensure your passport is valid for at least six months and that you have an onward or return ticket.

U.S. and European nationals typically receive a 30-day tourist visa on arrival.

For the latest information on visa requirements see [www.immigration.gov.ph](http://www.immigration.gov.ph).

## DO I NEED TRIP INSURANCE?

**Medical and dive accident insurance is highly recommended and mandatory for all liveaboard charters**

We highly recommend each guest purchase trip cancellation and interruption insurance. Weather conditions, health problems and many other unforeseen reasons can change travel plans and/or cause financial losses that should be insured against.

**Cancellations, losses and disruptions caused by reasons outside of Atlantis' responsibility will be shouldered by the guest unless they are insured.**

Atlantis does not promote or recommend any particular insurance company, but you may find the following links useful:
