

AZORES

Proof of Certification	Mandatory	Card & Logbook
Dive Insurance	Mandatory	No exceptions

DIVING

Diving Difficulty	Varies	Tubbataha and Coron charters, we highly recommend a minimum of 25 dives and an Advanced Diver certification. Some of the wreck dives in Coron are at depth and in challenging conditions. Tubbataha diving is typically deep (24m/80ft to 30m/100ft) multi-level wall dives and moderate to strong currents are not unusual.
Orientation Dive	Yes	1st Dive
Max Dives per Day	4 day, 1 night	Tubbataha 3 day, 1 dusk
Dive Duration	60 mins	50 bar/750psi Should you require longer dives, please contact us, your group leader or agent for options and prices.
Max Dive Depth	30m/100ft	
Diver to Guide Ratio	Max 8-1	
Deep/Night Diving	Certification/Experience required	Divers that cannot document training or experience below 18m/60ft or night diving may not be allowed on these dives. We require divers to exhibit good buoyancy control at all times, and to respect the underwater environment.
Nitrox	32% Available	Certification required. Additional charge
Dive Courses	Available	PADI - see HERE
Rebreather	Not available	Certified divers are welcome with their own equipment, diving with the group at recreational limits.
Tec Diving	Not available	
Solo Diving	Not allowed	
Wreck Penetration	Not allowed	
Snorkeling	Selected sites	Tubbataha Park Authority does not allow snorkeling
