

Apo Island is approximately a one hour boat ride from Atlantis Dumaguete and is a “Signature” dive site in the Philippines. It is one of the world's best known community-organized marine sanctuaries in the world and has been an example to other community organized efforts.

At present, the island is home to over 650 documented species of fish and estimated to have over 400 species of corals. Most of the Philippines' 450 species of coral can be found here, from tiny bubble corals to huge gorgonian sea fans and brain corals.

Most 7-night vacations to Atlantis Dumaguete include 1 island trip and others can be purchased at the resort for Php 4,900 (US\$98) - 2019 rate.

*Price of dives are not included in the day trip price of Php 4,900 (US\$98).

*A minimum of 6 divers are required for the day trip.

Typical Schedule:

7:45 AM – Orientation

8:00 AM - depart Atlantis Dumaguete

9:00 – Noon – 2 morning dives

Noon to 2:00 PM – Lunch and shopping with natives on board the boat

2:00 – 3:00 PM – afternoon dive

4:30 PM – back at Atlantis Dumaguete where divers can do a Mandarin fish dive or a night dive

Typically only 4 dives are offered on days that we go on island trips.
