What to Expect in Class

We have Sacramento's only indoor heated pool (heated to approximately 92F!) used for SCUBA and swim lessons! We will start the class reviewing the video and written information from SSI and answering any questions that you have or may arise. Students and instructor(s) will then go down to the pool area and begin our skills in the water. Class runs approximately 2-3 hours.

We supply all of the equipment needed for SCUBA diving for this class including: mask, snorkel, and fins but please feel free to bring your own if you like.

We are thrilled to welcome you into the captivating underwater realm and we thank you for trusting Dolphin Scuba Center as you dive into a new way to experience the world. Please give us a call any time with any questions - our staff is happy to help you feel as comfortable as possible before you make the plunge!

See you in the water soon!
