I am a certified scuba diver trained in safe diving practices.
2 I am aware of the risk inherent in the sports, scuba diving, skin diving, swimming, snorkeling, and accept the risks.
3 I affirm that I am in good mental and physical fitness for diving and that I will not hold any of those entities identified in M/V VALENTINA above responsible if I am injured or die as a result of heart, lung, ear or circulatory problems or other illness or conditions that may occur while diving.
4I affirm that I am not under the influence of alcohol, nor am I taking any drugs that are contraindicated for diving.
5 I understand that diving with compressed air involves certain risks and injuries can occur that require treatment in recompression chamber, I further understand that an open water diving trip may be conducted at sites that are remote, by time and/or distance, from a recompression chamber and/or medical facility, and nonetheless agree to accept and assume such risks when I proceed with such dives.
6 I understand that even if I follow all of the appropriate dive practices, there is still some risk of sustaining decompression sickness, heart attack, embolism or other hyperbaric injuries, and I expressly assume the risk of such injuries or illnesses.
7 I acknowledge that I have been fully and completely advised of the potential hazards and dangers incidental to engaging in boat based residence and activities and the activity and instruction of skin and scuba diving.
8I understand that diving in open waters involves additional risks due to the environment, animal or sea life, currents and mechanical equipment failure or misuse, and that injury or death may occur from such risks. There are additional risks involved in going to the island or its vicinities, shores, beaches, waterfalls, trails, as well as in the skiff ride and the swim to and from the island.

I understand that diving with compressed air involves certain inherent risks; including but not limited to decompression sickness, embolism or other hyperbaric/air expansion injury that require treatment in a recompression chamber. I also understand that diving with oxygen enriched air ("Enriched Air") involves inherent risks of oxygen toxicity and/or improper mixtures of breathing gas. I further understand that the open water diving trips may be conducted at a site that is remote, either by time or distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

I understand and agree that M/V VALENTINA and its instructors, dive masters, affiliate and subsidiary corporations nor any of their instructors, dive guides, respective employees, officers, agents, contractors or assigns (hereinafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in this diving program or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in activity using enriched air, I hereby personally assume all risks of this activity, whether foreseen or unforeseen, that may befall me while I am engaging in the activity including all risks connected therewith, whether foreseen or unforeseen.

I further release, exempt and hold harmless the said activity and release the Released Parties from any claim or lawsuit by me, my family, estate, heirs or assigns, arising out of my enrollment and participation in this activity including both claims arising during or after the activity.

I will inspect all of my equipment prior to the activities and will notify the Released Parties if any of my equipment is not working properly. I will not hold the Released Parties responsible for my failure to inspect my equipment prior to diving.

I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.

I understand the terms herein are contractual and not a mere recital, and that I have signed this agreement of my own free act and with the knowledge that I hereby agree to waive my legal rights. I further agree that if any provision of this agreement is found to be unenforceable or invalid, that provision shall be severed from this agreement. The remainder of this Agreement will then be construed as though the unenforceable provision had never been contained herein.

I understand and agree that I am not only giving up my right to sue the Released Parties but also any rights my heirs, assigns, or beneficiaries may have to sue the Released Parties resulting from my death. I further represent I have the authority to do so and that my heirs, assigns, or beneficiaries will be estopped from claiming otherwise because of my representations to the Released Parties.
